Item 12. From the appropriation made in Section 1, Title III-3, Item 4, to the Department of Agriculture, Forestry Operations, the sum of \$3,600,000 is intended to fund the replacement of bulldozers and associated equipment and to provide for debt service on equipment revolving fund bonds and operational costs. Any unexpended funds for this purpose may be transferred to the State Funding Board and the board is directed to cancel bonds in said amount.

Item 13. From the appropriation made in Section 1, Title III-21, Miscellaneous Appropriations, Item 28, the sum of \$13,000,000 is intended to provide for debt service on ten-year general obligation bonds in the amount of \$81,300,000 authorized by Senate Bill No. 3912/House Bill No. 4015, to provide funds for the acquisition and implementation of enterprise resource planning software. Any unexpended funds for this purpose shall be transferred to the State Funding Board and the board is directed to cancel bonds in said amount.

Item 14. From the appropriation made in Section 1, Title III-31, Item 4, to the Department of Finance and Administration for capital outlay, the sum of \$1,000,000 shall be reallocated to Section 1, Title III-21, Miscellaneous Appropriations, for the purpose of making a grant to the Country Music Museum Foundation, Inc., a nonprofit organization, to be used for exhibitions, interpretive public programs, classroom learning activities, and conservation and preservation of collections housed at the Country Music Hall of Fame and Museum and its related historical sites.

Item 15. From the appropriation made in Section 1, Title III-9, to the Department of Education for the Governor's Institute for Science and Math, the Commissioner of Finance and Administration is authorized to allocate the sum of \$500,000 for initial capital outlay costs and for debt service on Tennessee School Bond Authority bonds authorized for construction of an on-site dormitory.

SECTION 3.

Item 1. Appropriations made under Section 1, Titles III-11 and III-16, for the operation of the state regulatory boards, shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any said boards out of fees collected by them unless and until such allotments have been made by the Commissioner of Finance and Administration. Such allotments for the operation of said respective boards as are made by the Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

The allotment hereinabove provided shall be subject to the condition that no money shall be paid therefrom for the salary of any employee of said boards unless and until such salary has been approved by the Commissioner of Personnel. The appointment of all employees of said boards shall likewise be approved by the Commissioner of Personnel.

Notwithstanding any provision of law to the contrary, no member of any board or commission established by law or pursuant to law, which receives an appropriation under this act, regardless of the source of funding, shall receive any compensation, whether denominated per diem or by whatever name called, except for days in which such member actually works four (4) or more hours performing duties directly relating to that board's or commission's activities, or for time or days spent attending meetings of that board or commission. The chairman or head of each board or commission, the department head to which such board or commission is attached administratively, and the Commissioner of Finance and Administration, shall prescribe procedures to contain, as a minimum, a certification of time worked by each member claiming compensation.

Item 2. Except as otherwise provided in this section, the appropriations to the Wildlife Resources Agency under Section 1, Title III-6, shall be paid out of the special fund established under Tennessee Code Annotated, Title 70, Chapter 1, Part 4 and Section 69-10-203. Such appropriations shall be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51, and shall be used only for the expenses of the Wildlife Resources Agency pursuant to Tennessee Code Annotated, Title 70 and Title 69, Chapter 10, Part 2, and no part of the unexpended fund left at the end of the fiscal year shall be used for any other purpose but shall be carried over in said fund and may be expended during the next year, and all of said fees and revenues provided by Tennessee Code Annotated, Title 70 and Title 69, Chapter 10, Part 2, are herein specifically apportioned and appropriated to the use and for the benefit of the Wildlife Resources Agency to be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51. Nothing in this item shall be construed as relieving the Wildlife Resources Agency of the duty of policing littering of lakes and streams.

Item 3. The appropriation to the State Board of Law Examiners in Section 1, Title II, Item 13, shall be from funds generated by fees collected by the board under the provisions of Tennessee Code Annotated, Title 23, Chapter 1.

In case the appropriation to the board shall prove inadequate to allow the board to function efficiently, the Commissioner of Finance and Administration may make an additional allotment thereto from the general fund, the total of all allotments to the board not to exceed the revenues paid into the treasury by the board.

Item 4. The appropriation to the Department of Financial Institutions in Section 1, Title III-12, shall be derived from banking fees assessed pursuant to Tennessee Code Annotated, Title 45, Chapter 1, Part 1. No part of the unexpended fees left at the end of the fiscal year shall revert to the general fund.

DEPARTMENTAL REVENUES

SECTION 4. All departmental revenues of every kind, as hereinafter defined, collected by any department, institution, office, or agency, in the course of its operations, for its own use, are hereby appropriated to it in addition to the specific appropriations made by this act, unless otherwise provided in this act or other provision of law. Federal aid funds granted to the state for the use of or to be administered by any department, institution, or agency, are likewise appropriated. For the purpose of this section "departmental revenues" are defined as (1) earnings or charges for goods or services; (2) donations, contributions or participation by political subdivisions, foundations, corporations, firms or persons. State revenues, in contradistinction to departmental revenues, are the proceeds of taxes, licenses, fees, fines, forfeiture or other imposts laid specifically by law.

Notwithstanding any provision of the previous paragraph, the Department of Health shall deposit all funds generated by fees or taxes collected by such entity in the general fund of the state. Any appropriations for the operation of such entity shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any such entity out of fees or taxes collected by it, unless and until such allotments have been made by the Commissioner of Finance and Administration. Such allotments for the operation of such entity as are made by the Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

The departmental revenues and federal aid funds appropriated under this act shall include the amounts hereinafter set out:

Provided, however, that all expenditures of any community development block grant funds in addition to those appropriated and enumerated in this section shall be subject to the following limitations and restrictions:

The Housing and Community Development Act of 1981 made it possible for states to assume administration of the small cities Community Development Block Grant (CDBG) previously administered by the U.S. Department of Housing and Urban Development (HUD). In Tennessee, the CDBG Program shall be administered by the Department of Economic and Community Development (ECD).

There shall be appropriated by the General Assembly to ECD such funds as may be allocated to Tennessee by the federal government for the CDBG Program. The state-administered CDBG Program shall be developed within the parameters of the CDBG legislation, applicable federal regulations, and consultation with citizens and elected officials in Tennessee.

The CDBG goals shall be three-fold: (1) target on areas of economic distress, (2) stimulate the growth of jobs and income in these areas, and (3) maximize the number of grantees. Additionally, all CDBG projects must meet one of the three national objectives of (1) principally benefiting persons of low and moderate income, (2) elimination or prevention of slums and blight, or (3) elimination of conditions detrimental to health, safety or public welfare. ECD shall be authorized to make grants and/or loans of CDBG moneys to eligible city and county governments in Tennessee to achieve these goals. Loan payments and interest shall be reserved for reappropriation and shall not revert to the general fund balance at year end.

Eligible applicants shall be all city and county governments in Tennessee except those cities of and counties designated by HUD as CDBG entitlement areas. Cities excluded from the state-administered CDBG Program include Memphis and Shelby County, Nashville (Davidson County), Chattanooga, Knoxville and Knox County, Clarksville, Bristol, Johnson City, Oak Ridge, Murfreesboro, Kingsport and Jackson. These cities and counties will receive their CDBG funds directly from HUD.

Based upon anticipated CDBG allocations of \$29,786,400 in fiscal year 2006 and of \$26,912,000 in fiscal year 2007, the following target funding levels shall be established:

	<u>FY '06</u>	<u>FY '07</u>

Water/Sewer/Solid Waste	18,486,000	12,962,600
Housing and Neighborhood Revitalization.....	2,000,000	1,402,400
Set-Aside	1,000,000	1,000,000

A fifty percent (50%) reduction in any category will be permitted to facilitate proper program management and allow administrative flexibility. The funds so reduced shall be allocated to other categories with priority given to water/sewer/solid waste projects.

Selection criteria for project approvals shall be uniform within categories, objective and quantitative, and shall be based on project need, project feasibility, project impact, community need, and, for community livability projects, essentialness.

Project application materials will be supplemented, as appropriate, by site visits and by informed opinions of state agencies knowledgeable about particular projects.

The level of CDBG assistance for individual projects shall be determined by the following factors: (1) the percent of project beneficiaries that have family incomes below the low and moderate income (LMI) levels, (2) a maximum grant and/or loan of \$750,000.00 for individual projects (\$300,000.00 for community livability projects), (3) a maximum grant and/or loan to any applicant of \$750,000.00 in two successive years, and (4) the grantee's ability-to-pay. Higher grant levels (up to \$1,000,000.00) may be approved for regional projects.

If modifications in the expenditure plan for the CDBG Program are required, said modifications shall be accomplished in the following manner: (1) if the General Assembly is in session such modifications shall be approved by the General Assembly, or (2) if the General Assembly is not in session, the Governor may, (a) submit such modifications to the State Funding Board for approval or, (b) call a special session of the General Assembly for approval.

SECTION 32. The provisions of this section shall take effect upon becoming a law, the public welfare requiring it. The unexpended appropriations made to the Department of Economic and Community Development (ECD), pursuant to Tennessee Code Annotated, Section 4-3-716 and Section 4-3-717, for the purpose of making grants and loans to local governments and businesses for job creation and/or retention are subject to reversion to the general fund balance at June 30, 2006. Subject to the availability of revenue, the Commissioner of Finance and Administration is authorized to carry forward any unexpended balance or transfer any part of the unexpended balance to the Revenue Fluctuation Reserve at June 30, 2006. The Commissioner shall report to the Chairmen of the Finance, Ways and Means Committees of the Senate and House of Representatives the disposition of the unexpended appropriations.

In the 2006-2007 fiscal year it is the legislative intent that new commitments made by the Commissioner of Economic and Community Development for grants in the FastTrack programs shall not exceed the appropriations made for those purposes in Section 1 of this act. The Commissioner is authorized, subject to the concurrence of the State Funding Board, to determine that amount of new commitments unlikely to be accepted based on historical program trends and may over-commit to the extent of such determination. In no event may such over-commitments exceed thirty percent (30%) of the appropriations available for new grants. It is further the legislative intent that in the 2006-2007 fiscal year the FastTrack programs be managed so that actual expenditures and obligations to be recognized at June 30, 2007, shall not exceed any available reserves and appropriations of the programs.

No less frequently than quarterly, the Commissioner of Economic and Community Development shall report to the Commissioner of Finance and Administration the status of the FastTrack programs appropriations, such report to include at least the following information: the amount of each commitment accepted since the previous report and the name of the company receiving the benefit of such commitment, the total outstanding commitments and the total unobligated appropriation. A copy of each such report shall be transmitted to the Speaker of the House and the Speaker of the Senate, the Chairmen of the Finance, Ways and Means Committees, the State Treasurer and the State Comptroller.

The total amount of FastTrack grants or loans made pursuant to these programs shall not exceed seven hundred fifty thousand dollars (\$750,000) per eligible business within any three (3) year period beginning July 1, 2005, unless approved by the State Funding Board. The State Funding Board is authorized to establish, by policy or action, the process by which the Commissioner of Economic and Community Development shall seek and receive approval for such grants and loans to exceed the dollar limitation.

These funds shall be used for industrial training and industrial infrastructure under the following provisions:

1. A grant or loan will be made only where there is a commitment by a responsible official in an eligible business for the creation or retention of private sector jobs and private investment, or where, in the opinion of the Commissioner of Economic and Community Development, such investment will have a direct impact on employment and investment opportunities in the future.

2.
